(members with Multiple accounts)

Note: Users with multiple accounts must register each account with MRRS to see the 'Change Account' option under Utilities.

Log in to MRRS using the **CAC Login** button.
The MRRS home page displays.

Go to **Utilities** menu to access the **Change Account** option.

The screenshot shows the MRRS web application interface. The browser address bar displays the URL: <https://mrrstest.sscno.nmci.navy.mil/mrrstest/main.m>. The page title is "Medical Readiness Reporting System". The user is logged in as "HQU5MCSO (Test)". The "Utilities" menu is expanded, showing the "Change Account" option. A yellow box at the bottom contains a note: **NOTE:** Check the "Logged In As" area of the screen in the upper right corner to see which account you are logged in under.

Switch Account

Switch Account
pop-up window displays

Click the **Login Only** radio button next to the account you have chosen.

This logs you into the account but does not set it as your default account.

NOTE:

Click the button under **Login & Set Default** next to an account that is not currently your default account. This logs you into the selected account and sets that account as your default.
